

Summer Camp Season 2010

We're glad you are interested in YMCA Camp Widjiwagan and our campership program. In order to facilitate your application, please follow these procedures:

1. Complete a campership application (attach a copy of your last two year's IRS 1040 or 1040 EZ form page 1) and your camp registration form for each child.
2. Send both to the Widjiwagan office with your registration fee (see registration card for amount). We MUST have a signed registration card and registration fee in order to consider your campership application. If your campership request cannot be accepted and you must cancel, your registration fee will be refunded.
3. Once your campership is approved, you will receive a campership confirmation letter.
4. We will process applications on a monthly basis. You will be notified by letter or phone if we are unable to meet your full request.

It probably goes without saying that campership monies need to stretch to many campers. YMCA Camp Widjiwagan will try to meet your needs, but to make the best use of campership funds we ask that you make every effort to participate in the "Earn Your Way" sale where youth can earn all or part of their camp fee. Call our office or your local YMCA for details.

It is easy to set up a payment plan that works for your family.. This arrangement must be made with the office at the time of registration, and all fees must be paid prior to camp unless otherwise agreed upon in writing.

If you have any questions, please write or call Jennifer Weinzirl at the office at 612-465-0568. We're looking forward to seeing you next summer.
